

**Proper care and
maintenance of
home videotape**

Home videotape

- **Proper care and maintenance of your family heirlooms and works of art will ensure that they are available for future generations to enjoy**

Home videotape

- Never keep videotapes in a hot, wet environment or expose them to direct sunlight

Home videotape

- **Minimize tape handling at all times**
- **Take care not to drop tapes or cassettes**
- **Do not touch the surface or the edge of the tape**

Home videotape

- **When tapes are not in use, store them on end--like books on a library shelf--to prevent deformation**
